PERSONAL SAFETY AT THE POOL

The Irvine Police Department would like women to enjoy community pools safely. At times we have seen residents safety compromised. The pool is a public place and women must stay alert.

Please follow the suggestions below:

- Keep the pool area locked so that only authorized individuals will have access
- Remain aware of your surroundings while sun bathing
- Listen for others entering the pool area
- Make eye contact with individuals entering the pool area
- If the individual does not look like a pool user, stay alert or consider leaving
- Report the stranger to the apartment manager or the police department
