

Accessible/Affordable Housing Resources

Accessible Apartments

Phone: (800) 421-1221

www.forrent.com/naac

Persons with disabilities in need of accessible apartments can call NAAC's toll-free number message center. Each request should detail what special features are needed and what city and State accessible is desired. Requests should include the prospective residents complete name, phone and fax numbers (where available), complete mailing address, and email address.

Rebuilding Together Orange County

(714) 667-8147

www.neighborhoodlink.com/org/rebuild

Rebuilding Together Orange County builds partnerships within the community to rebuild owner-occupied homes, shelters and non-profit facilities for low-income residents, particularly the elderly or those with disabilities, so that they may live independently, with dignity, in warmth and safety.

Fannie Mae

Phone: (800) 732-6643

fanniemae.com

Mortgage loans designed to meet the special underwriting needs of low- and moderate-income borrowers who have disabilities, or who have family members with disabilities living with them. Also available, community living mortgage loans designed to provide financing for small, community-based group homes for individuals who are unable to live independently.

Housing and Community Development Department

Phone: (714) 480-2900

www.oc.ca.gov/housing

Silent second mortgage loan program for low-income first-time homebuyers.
