

**Ciclo
IRVINE**
AN OPEN STREETS EVENT

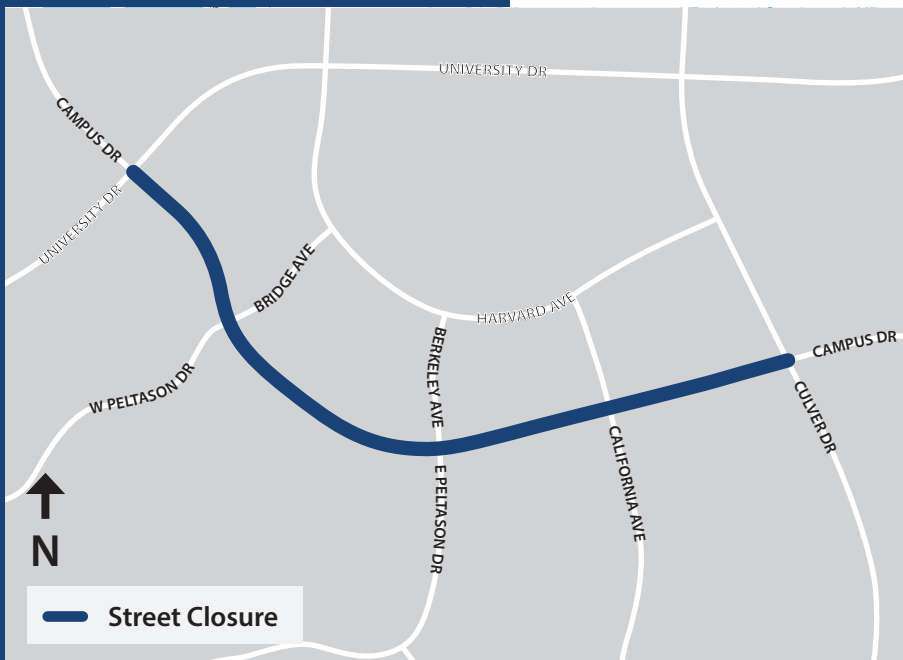

Saturday, May 3
11 a.m.–4 p.m.

Celebrate community,
connection, and clean air
through the City of Irvine’s
second car-free
Open Streets Event.

CicloIrvine highlights the City’s commitment to community engagement, sustainability, and environmentally conscious means of travel with 1.4 miles of City streets closed to cars and open for people to stroll, bike, and roll.

Engage with attendees and potential customers throughout the day during this great opportunity to reach Irvine residents and visitors. Plan on business as usual, and businesses can become a part of the event by joining CicloIrvine as an event sponsor or offering specials to visitors the day of the event.

Car Access and Parking

Street Closure Hours: 5 a.m.–8 p.m.

If your business is along the event route, you and your customers may expect some detours.

Businesses will remain accessible via Harvard Avenue and designated cross streets — Bridge Road, Berkeley Avenue, and California Avenue. All commercial parking lots will remain open. Look for posted signs indicating detour routes.

Additional parking restrictions may be in place near the event route. Please check posted signs before the event.

Presenting Sponsors

**UC Irvine
UCI Health**
